5005.XXX	**1990 Public Law 94-171 County Block Maps**	**Comprehensive, multi-sheet, county-based reference maps depicting each county and statistically equivalent area at various scales, depending on the county's area and the density of its block pattern. The wall-size 36" X 42" maps display block numbers, physical features, and the boundaries, names, and codes for legal and statistical entities in the county. Each county set comes with an index showing the location and map sheet number of each map sheet with that county. Voting district codes or boundaries are not included.**	**Varies by County**

		Block Group Maps		
5050.XXX.2000	**2000 Census County Block Groups Maps**	**Block Groups are an aggregation of census blocks within a tract or block numbering area (BNA) sharing the same first digit in their three-digit identifying numbers. Block group maps display block group, tract, city, and township boundaries. These maps are an excellent tool for conducting neighborhood studies, market research studies, and visualizing the lowest level of geography for which social-economic data from the census is tabulated. Maps available Black -n- White or Color, E-size Maps.**	**Varies by County**
