PUBLIC INFORMATION MEETING AND DEADLINE FOR PUBLIC COMMENT REGARDING FORMER WARNER-LAMBERT COMPANY, LLC, MANUFACTURING FACILITY, HOLLAND, OTTAWA COUNTY. Written comments are being accepted on a Part 111, Hazardous Waste Management, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, (Part 111) revised hazardous waste management facility post-closure plan that provides for long-term maintenance and monitoring of closed hazardous waste management units and

phased facility-wide corrective action activities to address releases of hazardous constituents. Detailed engineering design of a site barrier wall and ground water extraction, treatment, and discharge system, which is expected to be a final remedy for mitigating groundwater migration to surface water via the groundwater/surface water interface (GSI) and GSI protection pathways is currently underway. Construction of the remedy is anticipated to begin in spring 2010. The post-closure plan has been revised to reflect plant demolition, recent site developments, and changes to environmental monitoring programs. The Michigan Department of Environmental Quality (MDEQ), and facility representatives will hold a public information meeting to present information and answer questions regarding the proposed approval of the revised post-closure plan and corrective action activities. The meeting location is as follows: Main Auditorium of the Michigan State University's Bioeconomy Research Institute; 242 Howard Avenue; Holland, Michigan. Submit written comments postmarked by December 2, 2009, to Cheryl Howe, Michigan Department of Environmental Quality, Waste and Hazardous Materials Division, P.O. Box 30241, Lansing, Michigan 48909; or submit written comments by e-mail to howec@michigan.gov no later than 5 p.m., on December 2, 2009.

MICHIGAN PORT COLLABORATIVE SUMMIT, RADISON HOTEL, LANSING, MICHIGAN. The mission of the Michigan Port Collaborative is to elevate the recognition and economic vitality of our state’s Great Lakes port communities. In addition to providing valuable information and experts, the Summit will unite port community leaders with their state partners to advance shared goals, explore a governance structure to sustain the Collaborative, and initiate a state and federal legislative caucus to advance the policy and funding goals of the Collaborative. To enrich the Summit results, each port community is encouraged to send a delegation with diverse perspectives and ideas, including elected officials, tourism, recreation, convention and visitor bureau leaders, economic development specialists, cargo shipping, ferry, marina and harbor operators, museum, lighthouse and Great Lakes underwater sanctuary and preserve leaders. Check out www.michigan.gov/deqworkshops for updated information on this event. AIR PERMIT APPLICATION WORKSHOP FOR FIRST-TIME APPLICANTS, CONSTITUTION HALL, LANSING, MICHIGAN. For most first-time applicants, completing the Permit to Install application is a daunting task. However, submitting a complete and timely application can be more manageable if you know what’s expected. The Michigan Department of Environmental Quality is offering this workshop designed to give information on how to submit a complete permit application. Since this workshop is geared to first-time applicants, a significant portion of the session is devoted to your specific application. Air Quality Division permit engineers will be available to discuss your permit application with you one-on-one. To take full advantage of this time with the permit engineer, it is recommended you bring detailed information about your project with you to the session. This training is designed for first-time air permit applicants who need help completing their permit application; however, those who have applied before and need a refresher are welcome to attend as well. Online registration is available on the Web at www.michigan.gov/deqworkshops, click on “Upcoming DEQ Workshops”. Registration Fee: \$25, which includes parking in the Ellis Parking Lot on the east side of Constitution Hall and training manual. Information Contact: **James Ostrowski**, Office of Pollution Prevention and Compliance Assistance, 517-241-8057, or e-mail at ostrowskij2@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-ead-env-assist@michigan.gov.

NOVEMBER 5, 2009

ANNUAL FALL ENVIRONMENTAL CONFERENCE, LANSING COMMUNITY COLLEGE, LANSING, MICHIGAN. Co-sponsored by the Environmental Law Section of the State Bar of Michigan, and the West Michigan and East Michigan Chapters of the Air & Waste Management Association, the fall program will feature discussions on timely environmental topics including revisions to Part 201, claiming carbon credits, revisions to the solid waste rules, changes to the MAERS program, and the Kalamazoo River Superfund site. For additional information, please contact **Kurt Kissing**, Pepper Hamilton LPP at 313-393-7313 or go to <http://www.wmawma.org/>.

DECEMBER 3, 2009

WATER AND WASTEWATER CONSTRUCTION PERMITS WORKSHOP, LANSING COMMUNITY COLLEGE, WEST CAMPUS, LANSING. If you’re interested in improving your turn-around time for obtaining Act 399 Water System Construction Permits (Michigan Safe Drinking Water Act) and Part 41, Wastewater System Construction Permits, of Act 451 (Natural Resources and Environmental Protection Act), the Michigan Department of Environmental Quality (DEQ) can help! This one-day seminar will show communities, developers, and consulting firms how to ensure the quickest review and permitting of projects. Along with reviewing checklists and common problems that hold up processing of applications, the DEQ will review its Expedited process along with the existing Streamline process for water main and sewer main construction permitting to provide for even faster application reviews and permit issuances. Anyone involved in water and

sewer construction permitting should attend. Online registration is available on the Web at www.michigan.gov/deqworkshops, click on "Upcoming DEQ Workshops". Registration Fee: \$125, which includes continental breakfast, lunch, and workshop materials. Information Contact: **Pat Cook**, Water Bureau, 517-241-1242, or e-mail at cookp@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-ead-env-assist@michigan.gov.

DECEMBER 8, 2009

OVERVIEW OF THE NEW MICHIGAN AIR EMISSIONS REPORTING SYSTEM (MAERS) FOR CONSULTANTS, LANSING COMMUNITY COLLEGE, WEST CAMPUS, LANSING. A new Web-based Michigan Air Emissions Reporting System (MAERS) is being implemented for the reporting of year 2009 air emissions. The new MAERS system will have a look and feel similar to the existing MAERS system; however, the technology will change to a Web-based interface and include several enhancements geared toward streamlining the reporting process. **This workshop is specifically designed for consultants and others familiar with MAERS who would like an overview of the new system.** At this workshop participants will learn: how to register as a user in the new system; how to navigate through the Web-based forms and utilities; and, how to complete and submit reports using the new MAERS. DEQ will offer additional trainings for beginners in January and February, 2010. Online registration for this workshop is available on the Web at www.michigan.gov/deqworkshops, click on "Upcoming DEQ Workshops". Registration Fee: \$75, which includes refreshments and workshop materials. Information Contact: **Jim Ostrowski**, Office of Pollution Prevention and Compliance Assistance, 517-241-8057, or e-mail at ostrowskij2@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-ead-env-assist@michigan.gov.
