Emergency Unemployment Compensation (EUC) in Michigan

The EUC program provides up to 34 weeks of federally-funded extended unemployment benefits in all states, plus an additional 19 weeks of benefits in states with high unemployment rates, such as Michigan (total 53 weeks). Qualified individuals may receive up to \$362 a week in EUC benefits, plus an additional \$25 per week in federal additional compensation.

The EUC program is federally funded; therefore, employers will not be charged for benefits nor receive a monetary determination.

EUC Eligibility Requirements

EUC payments can be obtained by individuals who are unemployed through no fault of their own and meet regular unemployment eligibility requirements. Individuals who had a claim for regular benefits with a benefit year ending May 1, 2007 or later, which has been exhausted or has expired, may be eligible for EUC benefits.

There are four tiers of federally-funded EUC benefits payable in Michigan:

- **Tier I** – Provides up to 20 weeks of EUC benefits to those who exhaust their state unemployment benefits. Tier I equals 80% of a person's state unemployment benefits, up to 20 weeks.
- **Tier II** – Provides up to 14 weeks of EUC after a person exhausts EUC Tier I. Tier II equals 54% of what a person received in state unemployment benefits, up to 14 weeks.
- **Tier III** – Provides up to 13 weeks of EUC after a person exhausts EUC Tier II. Tier III equals 50% of a person's state unemployment benefits up to 13 weeks. (Tier III is payable in states with high rates of unemployment, such as Michigan.)
- **Tier IV** – Provides up to 6 weeks of EUC after a person exhausts Tier III. Tier IV equals 24% of a person's state unemployment benefits, up to 6 weeks. (Tier IV is payable in states with high rates of unemployment, such as Michigan.)

To be eligible for EUC, individuals must be unemployed or underemployed and able, available and actively seeking suitable full-time work. Individuals must also register for work with their local Michigan Works! Agency (MWA) office. Those who have not registered within the last 12 months should update their résumés. Individuals may enter or update their résumés on the Internet at www.michworks.org. However, individuals must still report in person at an MWA office at least two to three business days before their first contact with MARVIN to ensure their information is electronically transmitted to the Unemployment Insurance Agency (UIA). Call 1-800-285-WORK to locate the nearest MWA office.

Applying for EUC benefits

Unemployment benefits are typically issued for two-week periods after individuals certify through UIA's telephone or online MARVIN systems that they were unemployed and met eligibility requirements for the two weeks.

When the balance on an individual's state unemployment claim is either two weeks of payments or less, the UIA will mail a letter explaining how to apply for the first EUC extension (Tier I) by telephone or online. There is no application process for the EUC Tiers II, III or IV. UIA will automatically issue a determination to individuals as they exhaust their EUC Tier I extension, and individuals should continue to certify by contacting MARVIN either by telephone or online.

Fact Sheet

The EUC program and its four tiers expire with the week of February 28, 2010. This means that EUC Tier 1 claims cannot be established after February 27, 2010, and Tier II, III, and IV claims cannot be established after March 6, 2010. However, individuals already on an EUC Tier as of the expiration date will be able to continue collecting the balance on that tier. No EUC payments will be made for any week beginning after July 31, 2010.

Receiving your benefits

Individuals must report to UIA's telephone or online MARVIN systems once every two weeks to claim their benefit payments, or they will continue to report by mail if instructed to do so by UIA. MARVIN appointment times are based on an individual's Social Security number, according to the chart below. Telephone MARVIN toll-free at **1-866-638-3993** or go to MARVIN online at www.michigan.gov/uia and click on the link "UIA Online Services for Unemployed Workers."
