## **About Your Vehicle Registration**

Vehicle registrations for vehicle models 1983 or older are based on the vehicle's weight. For model years 1984 and newer, the vehicle registration is based on the manufacturer's suggested retail (or base) price (ad valorem).

## **Vehicle Registration Renewals**

The full 12-month registration fee is due even if the plate has expired. If a vehicle registration is expired longer than six months, a 24-month renewal fee is charged, extending the registration until the following expiration date.

## **Vehicle Registration Late Fee**

A \$10 late fee is charged for a vehicle registration renewed after expiration.

## **Temporary Registration Permits**

30- or 60-day temporary permits are available
